A Tribute From a Friend.

One of the sweetest, purest lives I ever knew was that of Mr. J. G. Winston, who has recently passed away to heaven. A deep bible student, a sincere christian, a devoted husband, a loving tender father, we can but wonder why such a life could not be spared with all its influence for good.

No one could know him in his daily life without realizing that his was a practical christianity. To have spoken an unkind word would have been utterly foreign to his nature, no matter what the provocation, and yet he had that firmness which is always found in a man of strong character. His pretensions were nothing, his life everything. His patience in his long illness and his thoughtfulness for others were perfectly phenomenal. We cannot see why he was taken from his happy home, but God knows best, and some day we shall understand. The hearts of their host of friends go out to his bereft wife and child, but we know God will comfort their hearts, and some time they will meet their dear one where parting comes no more. The influence of such a life never ends, and may we all be as willing to suffer God's will as he was, and may our lives shed forth such rays of sunshine and patience as has made his life such an inspiration to others.

(From one who lived in their home two years.)

A coated tongue, foul breath and clogged condition in the bowels suggests the use of Prickly Ash Bitters. It is just suited for such ailments.

Holiday Excursions.

The Rock Island has authorized very low excursion round trip rates to points in Mississippi, Alabama, Tennessee, Georgia, North and South Carolina, Florida, Kentucky, Arkansas, Kansas, Colorado, North and South Dakota, Iowa, Minnesota, Wisconsin, Michigan, Missouri, December 21, 22 and 23, with limit of thirty days.

The best gateway to the southeast is that of Memphis, and as the Rock Island enters the Union depot there, it gives connections with all lines without the delay and annoyance of transfer of passengers or baggage across town, and greatly lessens the possibility of missing the outgoing trains. Through cars will be placed at many points in Texas to run via Memphis, advice of which will be given all inquiring passengers.

The route lies through the beautiful Indian Territory and the heart of the best section of Arkansas, giving the finest scenery of any line.

To the north the Rock Island has double daily service to Chicago, Kansas City and other points, including St. Louis, and through sleeping and chair cars.

It is the quick line to Nebraska, with sleeping and chair car service reaches Lincoln and Omaha hours ahead of any other route.

For local points, reduced rates liberal limits will be made during holiday periods.

Write Mr. Phil A. Auer, G. P. A., C. R. I. & G. Ry., Fort Worth, Texas, for information desired about any trip, and you will hear from him by return mail with full details.
